

CREATE ON THE NORTHERN PRAIRIE

June 4, 2022

CALL FOR ARTISTS AND PHOTOGRAPHERS

CREATE ON THE NORTHERN PRAIRIE 2022 – CoNP is a Plein Air Event in Watertown SD and the surrounding area. It is a chance to be outdoors and create with other artists and photographers. CoNP is produced by Northern Prairie Arts with the support of sponsors from the community. The planning of this project is done by artists looking to enhance the arts in Watertown and the surrounding area. We strive to create an atmosphere that is welcoming and also inspiring for artists near and far. The Watertown area offers many sites and opportunities for photography and plein air painting. Maps of the area will direct participants to lakes and waterways, parks, historical buildings and much more.

CoNP will take place on **June 18th with the photography shoot**, and will continue with the **plein air event on June 24 – 25**. Painters and photographers of all levels are encouraged to participate. There will also be a special category for youth in both photography and painting.

Check in and stamping of canvases will be at the **Lions Park Shelter**, which is located by the pond on 3rd Ave NW. All other events on the 24th and 25th, including the Art Show and Sale, will take place at the shelter.

A definite meeting place for photographers has not been decided, but participants will be notified of the location prior to the June 18th photo shoot.

All registration can be done online at northernprairiearts.org.

Please share this information with your fellow artists and photographers. We look forward to seeing old friends and making new ones!
